**THE UNITED STATES PRIZE CONCERT**

TO HAVE BEEN GIVEN AT

**Crosby's Opera House,**

On MONDAY, MAY 28th, 1866, will be postponed until MONDAY, JULY 9th, 1866, on which occasion HALF A MILLION DOLLARS IN PRIZES will be presented to the ticket-holders, including

**\$100,000 IN GREENBACKS.**

The postponement is an unavoidable necessity, not so much in consequence of the number of tickets yet unsold, as the positive necessity there is for a proper registration of those already disposed of, which has been delayed in consequence of the negligence and carelessness of a portion of our Agents in making their proper returns. We advise all parties wanting tickets to send for them without delay, as we have but a limited number yet on hand. We wish most particularly to impress upon the minds of our Agents the importance of their making their returns at once, and of rectifying whatever errors may have crept into their reports heretofore. We will say to those sending for tickets, that if they should all be sold at the time their order is received, the money will be returned. No applications for new Agencies for the sale of tickets will be considered, as we have no more than sufficient tickets for those Agents we have already appointed. Tickets are for sale at the principal Hotels, Book and Music Stores in the city, and at our Office, 133 Dearborn street; price \$1 each; sent by mail on receipt of price and stamp for return postage. We invite the particular attention of persons wishing to order tickets by mail to the following
